Hi Ray,

Thanks again for your help with the investigation committee's review. I realize this is not an easy process and your cooperation is much appreciated.

The committee is hoping to meet again next week. As part of the investigation, certain files have been set aside for review, and the committee is hoping that you can assist in determining which of those files and documentation may be relevant to the investigation. To that end, a member of UR IT/data staff would be present during the Zoom session to help facilitate.

Separately, I'm hoping that you and I can find a few minutes to meet in person to go through physical notebooks from the lab, to determine which notes may be relevant to the investigation.

Please let me know all of the following dates/times that work for you:

- **Wed 8/16**—2:00–4:00 pm ET
- **Thurs 8/17**—4:30–6:00 pm ET

Once we're set on dates/times, we will circulate Zoom invites.

Thank you!

Best regards

Steve
